1. Filter Paper
2. Water Glass
3. Place straw on glass.
4. Then gently pour water so that the end of the strip just touches water.

Stick three strips of Filter Paper on a straw. Make different coloured dots on the strips.

Slowly the water will creep up creating beautiful patterns.
5. Filter Paper
   Hole

Toilet Paper conical WICK.

6. Insert the conical
   in the centre.

7. The base of cone
   must dip in water.

8. After a while
   beautiful PATTERNS emerge
After a while a beautiful pattern will emerge.

1. Make your own picture pattern cards.
2. Insert the filter cone in the water.
3. Make a conical toilet paper from the paper cone.
4. Draw different colored dots around the hole of the filter paper.
5. Make a hole in the tissue paper.
6. Place filter paper on a glass filled with water. The base of the cone must dip into the water.
