Fun with a kissing balloon
Blow up a toy balloon and tie a string to it about one metre long. You can draw faces on it with ink. Use a soft stick dipped in ink. Now hold the string while someone strokes the face on the balloon with a piece of fur or flannel. Let the balloon go and watch it touch everything around.

More fun with a balloon
Fix two balloons as in the experiment above. Rub the faces with fur. Hold the strings together and observe how they repel. Put your hand between them and observe what happens. Bring one of the balloons near your face. Repeat, using three balloons.
